4-6 Metres wall length  
£2400

+£210 per every additional metre.

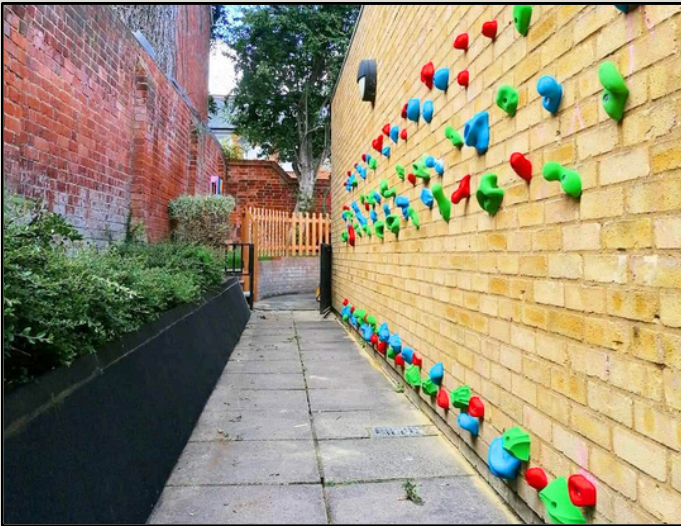

For example: 10 metre wall  
6 Metres (£2400)  
+£210 X 4 =£840  
Total = £3240

# Prices

Traverse Wall: Direct to Masonry/Brick on it's own

## Safety Anchors

UK Made climbing holds. Rubber-backed safety holds made by us. Resin anchors.

Project Duration 1 Day

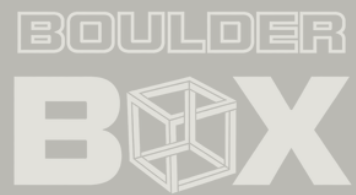

3 different colour challenges. We have installed over 1 million climbing holds all over the UK

4-6 Metres wall length= £1250  
+£150 per additional metre.

For example: 10 metre wall  
6 Metres £1250  
+150 X 4 =£600  
Total =£1850

Our Traverse Walls Direct to masonry always have a minimum quantity of 10X climbing holds per linear metre

10 Metre traverse wall = X100 climbing holds.

# Prices

Safety-Surfacing for Tarmac/Hard surfaces only

## Padded Artificial Turf Safety Surfacing

This surfacing assumes the distance of 2 Metres width to cover all the fall area from the Traverse wall.

A 6 metre traverse wall should have at least 8 metres length of Safety surfacing to cover all the fall area. This is automatically calculated in the prices below.

4-6 metre Traverse wall  
Padded grass mat safety surfacing.  
=£995  
(8 x 2 metre coverage)

4-6 Metres wall length= £995  
+£100 per additional linear metre.

For example: 10 metre wall  
6 Metres £995  
+£100 X 4 =£600  
Total =£1395

# Custom Mural Design

How this process works

Digital design provided

Completed Mural

Email us a picture of your wall  
to [info@Boulderbox.co.uk](mailto:info@Boulderbox.co.uk)

If you can give us as much design guidance as possible, we can then create a digital render. We will then provide you with a visualisation of what your mural will look like.

These are how accurate our digital designs are to the finished mural.

# Safety

Traverse walls do not legally require safety-surfacing. Because the footholds are always below 40cm from the ground and the highest hand hold below 2.1 metres

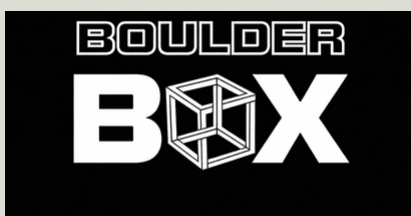

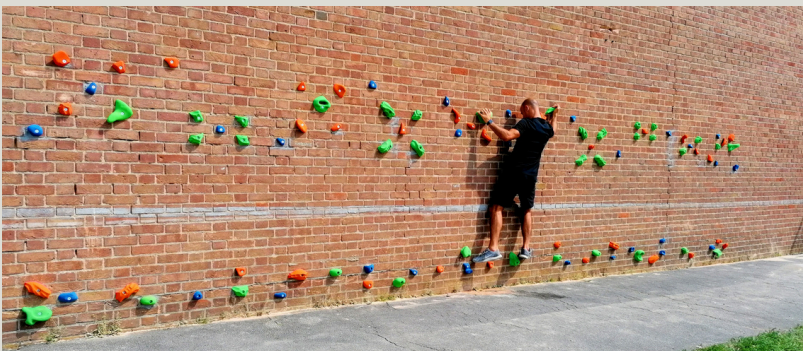

We do also offer it if required.

Our climbing holds are fixed with CE approved resin anchors, these allow climbing holds to be safely replaced in the distant future.

Guarantee. We offer a 8 year guarantee on our traverse walls.

Traverse walls we built 18 years ago are still in use today.

Please contact us with any questions, we are always happy to help
